Career Opportunity: Lab Technician

Established in 1960, DIFCO Company is a family-owned business operating with Christian values and principles specializing in high-volume zinc electroplating on steel parts along with an assortment of other finishing processes. DIFCO builds most of its equipment in house and seeks to employ high levels of automation. DIFCO has an environmentally-compliant 65,000 square foot facility employing about 75 people running 24 hours per day 4 to 6 days per week. DIFCO is ISO 9001:2015 certified.

DIFCO is seeking a technically capable, self-motivated, reliable, hands-on Lab Technician with strong analytical skills and a desire to continue learning.

Responsibilities and Expectations:

- Safety oriented, work well with others
- Lab Technician tasks include but not limited to the following:
 - Troubleshooting
 - Analyze Process Baths Using Basic Laboratory Equipment and Processes (Titrations, Balances, X-Ray Fluorescence, pH meters, Thermometers, Hot Plates)
 - Calibrate Meters
 - Check Flow Rates
 - Maintain Plating Baths
 - Change Filters
 - Clean Process Tanks
 - Handle Chemicals
 - Maintain lab and other work areas
 - Must be able to lift 50 lbs
- Lab technicians must take pride in their work
- Must understand the importance of machine uptime availability
- Maintain a clean and organized work environment and take care of company tools, supplies and equipment

Requirements:

- Must be a team player and have a positive “can-do” attitude with good communication skills
- Educational requirements (at least one of the following)
 - High School diploma plus at least 2 years related experience
 - Minimum of 5 years of directly related experience
- Strong problem solving and troubleshooting skills
- Organized and detail oriented
- Proficient with Microsoft Windows and Microsoft Office

Compensation:

- Competitive salary. Based on qualifications and experience.
- Health insurance. Disability insurance. Safe-harbor 401K plan with match.
- Paid vacation time. Six paid holidays. Flexible work schedule.
