## **Manufacturing Job Opportunity: PRODUCTION ASSOCIATE**

Established in 1960, DIFCO is a family-owned business operating with Christian values and principles specializing in high-volume zinc electroplating on steel parts along with an assortment of other finishing processes. DIFCO has an environmentally-compliant 65,000 square foot facility employing about 75 people running 24 hours per day 4 to 6 days per week. DIFCO is ISO 9001:2015 certified. DIFCO's factory equipment requires anywhere from 1 to 7 Production Associates to operate.

**DIFCO is seeking self-motivated, reliable, hardworking, hands-on Plant-Floor Production Associates.**

### **Responsibilities and Expectations:**

- Safety oriented – must wear PPE such as safety glasses and hearing protection
- Work well with others
- Show up to work on time
- Maintain a clean work environment
- Follow instructions from lead operator and supervisor

### **Job Details:**

- Repetitive loading and unloading steel parts
- Visual inspection of parts
- Stacking and packing parts

### **Compensation and Benefits:**

- Starting salary \$12.00 / hour
- Raises come quickly to those who do a good job and have good attendance
- Promotion opportunities are made available to those who excel
- Health insurance. Disability insurance. Safe-harbor 401K plan with match.
- Paid vacation time. Six paid holidays.
